It's an exciting time to be working in Lambeth Children's Centres, delivering services and support to children aged 0-4 and their families across our Better Start areas.

Lambeth Children's Centres are managed by five lead schools, supported by the local authority. We deliver a wide range of activities and support services for local families. Partnership working with health services, early help, and social care, and a wide range of voluntary sector organisations is well established and ensures that there is a strong offer for Lambeth families. We are looking to recruit an experienced and enthusiastic person who is passionate about the role of Children's Centres in the lives of young children and their families, to join our team.

Are you:

- An experienced educational practitioner with Level 2 in Education and Childcare or equivalent, strongly committed to supporting families with young children from rich ethnic and social backgrounds.
