

## Our core book this week is:

### 'A Bit Lost'

If you don't own the book here is a link to a video

[https://youtu.be/7B0JOo7U\\_-0?si=JCuoYAlnJzGyduN](https://youtu.be/7B0JOo7U_-0?si=JCuoYAlnJzGyduN)

This week our main focuses are,  
**Exploring play areas**

We are showing curiosity about different resources and objects, using our senses to explore, finding out what is happening inside and outside, and developing our interests.

### **Joining in with the classroom routine**

We are still learning about our daily routine. This week we have been enjoying story time and snack time together.

### This weeks rhymes

**Wheels on the bus**  
**Incy wincy spider**  
**Wind the bobbin up**  
**Shake and stop**

At music time we are learning to follow simple instructions, actions and to use a choice board to make choices.

### **This week at story time,**

We are using story props (lolly stick puppets) to act out the story. We are also adding two words together to describe the story characters.

big- very big  
ears - pointy ears  
eyes - big eyes

squirrel  
owl-little owl  
mummy owl  
Friend-my friend  
bear  
rabbit  
frog

lost  
where  
here  
everywhere

Follow -follow me  
big—very big  
ears—pointy  
ears  
eyes—big eyes

bump  
favourite  
nest  
biscuits

Are you okay ?  
Don't worry !  
I know !  
like this

Parent tip - Learning new vocabulary is important in developing both communication skills and early literacy. Encourage your child/children to use new words during daily activities. Have meaningful conversations about the things you do together. Try to use open-ended questions rather than 'what is' questions.
