PROVISION OF FUNDED FULL-TIME PLACES

You may be eligible for a funded full-time place if you meet the criteria below. This is no guarantee of a full-time place.

(Staff, this information may change. Parents will be required to check eligibility online.)

Eligibility Criteria: *Please tick any boxes that apply.*

CRITERIA

For families who meet specific national criteria linked to parents/ carers income, a funded full-time place of 30 hours is available. The parent (and their partner where applicable) should be seeking the free childcare to enable them to work. Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

- They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months. This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old. This applies whether you are in paid employment, self-employed or on zero hours contract.*
- Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.*
- Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.*
- Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.*
- If a non-EEA national, the parent must have recourse to public funds.*
